

InSPE presents:

The Addams Family The Musical

Based on Characters Created by Charles Addams

Stichting InSPE presents: 1 & 3 June
Theaterhotel Almelo

Introduction

Ah the intoxicating smell of the graveyard!

Five years ago, on April 20th, Stichting InSPE was founded by an enthusiastic group of people who wanted to combine different artistic movements, and connect the cultural associations in and around Enschede with a large scale production. Now, once every two years we gather in a theatre to honour another InSPE production! After the successful runs of Jesus Christ Superstar: The raw edition, West Side Story, and Fiddler on the Roof, InSPE is back with the new musical comedy The Addams Family!

When you face your nightmares, then you'll know what's real.

They say every InSPE board faces a specific challenge during their term. Our previous board, for example, faced all the repercussions of a global pandemic and still brought a fantastic performance to the UT campus in September of 2021! If you are familiar with InSPE, you may have noticed that we are not exactly where we usually are. Our current board truly faced their nightmares when they realised that everything was booked. We didn't have a theatre to perform in! After months of out-of-the-box brainstorming, from a 'Spiegeltent' to a decked out gymnasium, the board landed in the theatre you are in now.

It's family first, family last, and family by and by. When you're an Addams, you do what Addams do or...

In just a few moments, you will witness the result of nine months of hard work from five passionate creatives; sixty participants in the cast, orchestra, and crew; and countless people behind the scenes. We welcome you to our family tree and hope you enjoy the show!

Director

Robert Middelburg

Robert is an actor/director who has directed many theatre pieces over the years in Enschede. In 2016, he started the cultural collaboration project Jesus Christ Superstar, which resulted in the formation of InSPE. He has directed, among others, Theatre Association NEST, Stichting InSPE and Enschedees Vrije Toneel. He directed West Side Story (2019) and Fiddler on the Roof (2021) for InSPE.

He acted alongside Renée van Wegberg (Joseph, Wicked) and Steyn de Leeuwe (BNN Try Before You Die, VOC) in 'De Freule' in 2022 at de Steengroeve in Winterswijk. De Freule was directed by Jasper Verheugd (Stork! , Het Verzet Kraakt) and choreographed by Chiara Re (Evita, The Prom, Mamma Mia). In 2023, Robert will be part of The Musical Dinner Show at Vliegveld Twenthe.

Robert: "Love Triumphs". Aside from it being an ongoing theme in our show, I feel it should be more visible in our daily lives as well. For there are too many people who still can not speak about their love openly or are told it's wrong. And though often I was ready to glue some cast members behind the wallpaper (Dutch expression), love triumphs for these lovely crazy people who share my passion for theatre and musical.

Vocal Coach

Roxine Engelbarts

My name is Roxine Engelbarts and at InSPE, I take on the role of vocal coach while also playing keyboard 1 in the orchestra for the production of *The Addams Family*. When I was asked to join InSPE as a vocal coach last year, I was immediately excited! As a choir conductor for the Musilon student choir, I find it incredibly cool to work with students. Additionally, I'm also a huge fan of *The Addams Family* musical. So it's a win-win situation!

Working with the cast members over the past few months has been incredibly valuable and amazing. I've been in the choir conducting business for over 16 years, and you experience a lot of things in that time. But holy cow! I was blown away by the cast of InSPE. They're a super motivated, wonderful, enthusiastic group who are always there for each other. We laughed, enjoyed ourselves, and sometimes cried tears of joy.

Looking back, it was an amazing time, an insanely beautiful experience, and a super pleasant collaboration with the other creatives. I can't wait to hear from the orchestra pit songs like 'One Normal Night' and 'When you're an Addams!' Yeah!

Choreographer

Melanie van Engen

Melanie has been a dance teacher since 2002 and choreographer for different age groups and levels. From her early age she was already on the stage, in dance shows and in a lot of musical productions. The theater is like her home.

I have been involved with InSPE from the very beginning, and have taken great joy in every production.

This year we have worked very hard for The Addams Family. To me, it embodies everything that InSPE stands for: togetherness, tolerance, and connection. Everybody is welcome in the InSPE family. I am incredibly proud of what we have achieved with each other, and as mother duck of InSPE I have been able to watch my ducklings grow and shine. They are ready to spread their wings and let you enjoy this wonderful family.

Conductor

Michael Rein

Michael Rein, born in Aachen, is a German violinist and conductor. During the recent years he studied conducting at the Maastricht Conservatory and at the Royal Conservatory in The Hague with Enrico Delamboye, Jan Stulen, Jac van Steen and Arjan Tien and he participated in various masterclasses with Jorma Panula, Isaac Karabtchevsky, Carlos Eduardo Prates, Julius Kalmar, Mark Heron and Clark Rundell. He conducted the Netherlands Symphony Orchestra, the Lüneburger Sinfoniker, the Vaasa City Orchestra, the World Youth Orchestra, the Orchestra Regionale Filarmonia Veneta and the Orquestra de Câmara SESIMINAS and was assistant conductor for Jan Willem de Vriend (Schwetzingen Festspiele), Arjan Tien (Jeugd Orkest Nederland and Nederlands Studenten Orkest) and Alpesh Chauhan (Phion).

He is currently permanent conductor of the Euregio Symphonieorchester Ahaus, of Symphonia Eugenia and in 2023 for the first time of the Musical production of the InSPE Foundation. Furthermore is he in great demand for coaching violin sections of the Youth Orchestras of the Netherlands, Nederlands Studenten Orkest, Nederlands Strijkersgilde, Nieuw Nijmeegs Kamerorkest, Symfonia Jong Twente, Twents Jeugd Symfonie Orkest and the World Doctor's Orchestra.

He lives in Enschede and is married to the Brazilian singer Tania Prates-Rein.

Assistant Director

Evi Leferink

Evi had to complete a societal internship for school, but was having difficulties finding a fun opportunity.

When she attended a dance and theater rehearsal one night, she immediately knew that this was what she wanted to do.

Evi has proven to be a highly enthusiastic, motivated and decisive intern, and she was welcomed into the InSPE family with open arms. Not only did she do a brilliant job during her internship, she also had the most fun out of the whole class.

Storyline

The eccentric Addams Family is alive and well! The passionate Gomez (Ivo da Silva) and his wife, the stunningly beautiful Morticia (Juliana Zijlstra), their dark ‘darlings’ Wednesday (Sem Verhaere) and Pugsley (Iris Snellenburg), Uncle Fester (Brad Hillas), Grandma (Sam Molenkamp) and of course butler Lurch (Victor Reijnders) step out of the darkness and exchange their macabre villa for a dark comedy in the theatre.

Daughter Wednesday Addams has grown up and carries a shocking secret. She is in love with Lucas (Alec Zirnheld), an ordinary boy who, to make matters worse, comes from a ‘normal’ family! She only shares the secret with her father Gomez, who has never hidden anything from his beloved wife Morticia. When Lucas and his parents, Mal (Ryan Wakamiya) and Alice (Charlotte Büscher) are invited to an introductory dinner, the truth comes out. The full moon shines, the ghosts and statues awaken and love is tested on all fronts.

The musical comedy The Addams Family is based on the characters created by Charles Addams. Music and lyrics were written by Andrew Lippa, who also wrote the script, music and lyrics for the Drama Desk award winning musical The Wild Party. Marshall Brickman and Rick Elice co-wrote the script for the multi-award-winning Broadway musical Jersey Boys. Marshall Brickman won five Tony Awards in 2012.
